

ORDER

U.S. DEPARTMENT OF TRANSPORTATION
FEDERAL AVIATION ADMINISTRATION

2100.6B

11/21/91

**FLIGHT RESTRICTIONS IN THE PROXIMITY OF THE
PRESIDENTIAL AND OTHER PARTIES**

SUBJ:

1. PURPOSE. This order prescribes responsibilities and procedures for issuing flight restrictions in the proximity of the President, Vice President, and other parties.
2. DISTRIBUTION. This order is distributed to the branch level in the Office of the Associate Administrator for Air Traffic; the Offices of Air Traffic Program Management, Air Traffic System Effectiveness, and Air Traffic System Management; the Air Traffic Plans and Requirements Service and Air Traffic Rules and Procedures Service; regional Air Traffic Divisions and the FAA Academy at the Aeronautical Center; and to the director level at the FAA Technical Center and a standard distribution to all air traffic facilities.
3. CANCELLATION. This order cancels Order 2100.6A, Issuance of NOTAM in Accordance with Federal Aviation Regulations 91.104, Flight Restrictions in the Proximity of the Presidential and Other Parties, dated February 5, 1970.
4. BACKGROUND. Agencies of the U.S. Government may determine certain actions should be taken in the interest of providing appropriate protection for the President, Vice President, or other public figures. These actions are generally initiated on a short notice basis, and normal rulemaking procedures cannot be employed. As such, Title 14, Aeronautics and Space, Code of Federal Regulations, Part 91, Section 141, authorizes the Administrator to restrict aircraft flight operations, when requested, in the vicinity of these public figures. The provisions of Order 2100.13, FAA Rulemaking Policies, delegate this authority to the Associate Administrator for Air Traffic.
5. EXPLANATION OF CHANGES. This revision:
 - a. Includes responsibilities of the Office of Air Traffic System Management.
 - b. Includes responsibilities of regional Air Traffic Division personnel.
 - c. Specifies provisions to deviate from regulatory aspects of the Notice to Airmen (NOTAM).

Distribution: A-W(AT/TZ/TH/TM/TR/TP)-3;A-X(AT)-3;A-Y(AY)-3;
A-Z-1;A-FAT-0(STD)

Initiated By: ATM-400

6. DELEGATION OF AUTHORITY. The Director of Air Traffic System Management is delegated the authority to issue a regulatory NOTAM under Part 91.141. This authority may be redelegated.

7. PROCEDURES. Normally, a Presidential advance survey group will visit each location where the Presidential or other parties will be visiting. Coordination will be conducted as outlined in Part 1, Chapter 6, of Order 7210.3, Facility Operation and Administration.

a. A NOTAM establishing mandatory flight restrictions under Part 91.141 will be issued only in response to requests from the Washington headquarters office of the U.S. Government agency responsible for the protection of the personage concerned.

b. A NOTAM issued under this order shall comply with Order 7930.2, Notices to Airmen, and follow the wording format in accordance with Appendix 1, Flight Restrictions in the Proximity of the Presidential and Other Parties.

8. RESPONSIBILITIES.

a. Regional Air Traffic Division personnel shall:

(1) Act as a liaison between FAA headquarters and the local field facilities during the coordination of flight restrictions.

(2) Provide the Military Operations Program with the geographical/aeronautical information necessary to describe the flight restriction area(s).

b. The Program Manager for Military Operations, ATM-400, or a designated representative shall:

(1) Provide a current roster (including telephone numbers) of the designated ATM-400 personnel authorized to process requests for regulatory action or deviation to:

(a) The Operations Control Center, ADA-30.

(b) The National Flight Data Center,
U.S. NOTAM Office, ATM-611.

(c) The Air Traffic Control System Command Center (ATCSCC), ATM-200.

(2) Formulate and direct the issuance of the requested flight restriction NOTAM(s).
